

Overview: Formation engages energetic people between the ages of 21-40 who have an interest in forming the future of the Houston Northwest area. The program offers resources that will help members not only grow in their leadership skills, but also get connected, educated, involved, and have an impact in the Cypress Creek Community. By providing events tailored for their needs and interests the Formation group will see firsthand the function and membership of the Houston Northwest Chamber of Commerce.

Membership Benefits:

- Online name listing on the Young Professional web page
- Admission to YP member only events
- Networking with other young professionals & chamber members
- Mentorship and leadership opportunities
- Community outreach
- Educational advancement
- Workforce training
- Make connections with stakeholders in Northwest Houston business community

Get Involved:

- Fill out Formation application on the back of this page or online
- \$25 fee members & \$75 fee non-members - one year membership based on join date
 - Includes admission to all professional development events
 - Cost for food and beverage will vary by event
- Please respect the goal of targeting individuals under 40.
- Show up for events! Making connections is what it's all about. Make the most out of your Formation membership simply by attending functions.
- Spread the word. Invite potential Formation members to networking events & get others involved!
